MOTION FOR A NEW TRIAL

Plaintiffs respectfully move this Court for an Order setting aside the jury's verdict and the judgment entered thereon and awarding plaintiffs a new trial and in support thereof aver the following:

1. The verdict was against the law.
2. The verdict was against the evidence.
3. The verdict was against the law and the evidence.
4. The Trial Court erred in refusing to permit plaintiffs' expert to give opinion testimony based on the facts of the accident.
5. The Trial Court erred in striking the opinions of plaintiffs' expert rendered on cross-examination when there were no objections thereto and no motions to strike were made.
6. The Trial Court erred in permitting defendant's expert to give opinion testimony which was not in his report issued prior to trial.

7. The Trial Court erred in charging the jury on superseding cause.

8. The Trial Court failed to charge the jury on res ipsa loquitur.

9. The Trial Court failed to instruct the jury that an open and obvious condition requires the stevedore only to take practical measures to avoid or eliminate the hazard.

WHEREFORE, Plaintiffs request the Court to grant the relief being sought.
